

# How to – Online Media

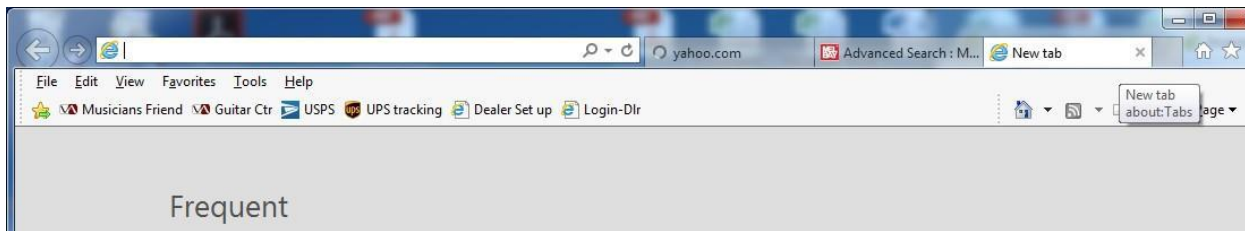

To retrieve your Online Media (online audio, online video, online PDF supplement)

**Step 1:** open your book or eBook to the title page (The first page after the cover)

**Step 2:** locate the URL that looks like this [www.melbay.com/xxxxx](http://www.melbay.com/xxxxx) (xxxxx refers to or is in place of the code printed on your book or eBook title page.)

*(If you are using a mobile device, install a free app like iZip, from your device's app store, before proceeding so that your mobile device can recognize the download)*

**Step 3:** Enter that URL into the address bar of your internet browser (Indicated by the arrow in image below). The address bar is the space at the top of your browser page that shows the name of the website you are on. **Do not use Microsoft Edge, a search such as google, or the search bar on melbay.com.**

**Step 4:** On the page that the URL has directed you to, click the red “Download Extras” button.
